## 90cm 10 Function Built-in Oven  |  Stainless Steel

**Euromaid**

## FEATURES & BENEFITS

**148L CAPACITY**
Class-leading 148L capacity. Make the most of your oven with extra-large cavity space, providing more room to cook on multiple oven shelves and perfect for entertaining.

**TELESCOPIC RAILS**
The fully-extendable telescopic rails glide smoothly in and out of the oven cavity. Perfect for handling heavy cookware or quickly checking the progress of your cooking.

**EASY STEAM**
The Easy Steam function combines hot air cooking with the benefits of steam, to bring out the flavour in food, cooking it more evenly and producing juicy and crispy results.

**DIGITAL TIMER**
The touch control digital timer can be programmed for a variety of timer functions, including cooking duration or end-time, which is displayed brightly on the LED display.

**MULTIFUNCTION**
10 oven functions for ultimate flexibility, including Fan Forced for perfectly even baking, or Rapid Cook which can help reduce preheating by up to 25%.

**5 YEAR WARRANTY** with online registration*
