

EBM28TB

28L Built-in Microwave | Dark Stainless

Euromaid

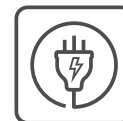

FEATURES & BENEFITS

28L CAPACITY

Large capacity for ultimate flexibility. The 28L cavity is large enough for the whole family, and finished in stainless steel for easy cleaning.

10AMP PLUG AND LEAD

For easy, fuss-free installation, simply plug the equipped 10A plug into a standard domestic socket to start using your microwave right away.

DIGITAL TIMER

The white LED digital display features a convenient kitchen timer, as well as displaying the remaining program duration and time of day.

DEFROST SETTINGS

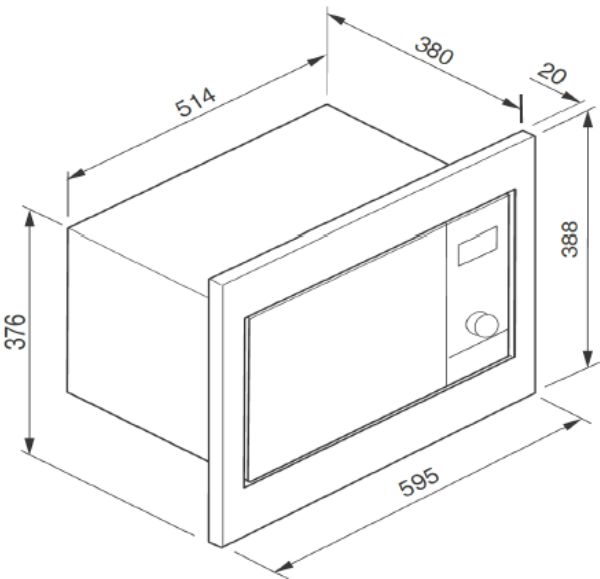

Select Defrost by Time to set a duration up to 95 minutes, or take the guesswork out by using the preset Defrost by Weight function, which automatically adjusts the program duration for ideal results.

5 YEAR WARRANTY
