

EFS6010APINDB

60cm 11 Function Pyrolytic Induction Freestanding Cooker | Dark Stainless

Euromaid

FEATURES & BENEFITS

92L CAPACITY

Class-leading 92L capacity. Make the most of your oven with extra-large cavity space, providing more room to cook on multiple oven shelves and perfect for entertaining.

INDUCTION COOKTOP

Efficiently sear, stir fry, boil, or simmer with precision. Heat is delivered directly to the cookware when detected on the ceramic surface. With Power Boost, high heat can be achieved rapidly.

EASY STEAM

The Easy Steam function combines hot air cooking with the benefits of steam, to bring out the flavour in food, cooking it more evenly and producing juicy and crispy results.

TELESCOPIC RAILS

The fully-extendable telescopic rails glide smoothly in and out of the oven cavity. Perfect for handling heavy cookware or quickly checking the progress of your cooking.

AIR FRY

Delivering the benefits of an Air Fryer into a built-in oven. The dedicated Air Fry function helps to create perfectly crispy results without the extra oil, while saving space in your kitchen.

PYRO CLEAN

Cleaning made easy. The Pyro Clean self-cleaning function heats the cavity to a very high temperature, reducing grease and food splatters to ash which can be easily wiped away.

2 YEAR WARRANTY

EFS6010APINDB

60cm 11 Function Pyrolytic Induction Freestanding Cooker | Dark Stainless

Euromaid

FUNCTIONS

**Height with legs removed for slot in installation on a plinth.
